

Arc Protection Clothing

- Hood to be worn under hardhat and attaches to FR coveralls + labcoats.
- Flash Jacket is approximately waist length and must be worn in combination with Flash Pants.

Hazard Risk
Category 4

Hazard Risk
Category 2

Clothing Sizes* (All Styles)

Jacket			Bib-Overall Pants
Sizes	Normal Size	Finish Size	Waist Size
Medium	38" - 40"	48"	32" - 34"
Large	42" - 44"	52"	36" - 38"
X Large	46" - 48"	56"	40" - 42"
2X Large	50" - 52"	60"	44" - 46"
3X Large	54" - 56"	64"	48" - 50"
4X Large	58" - 60"	68"	52" - 54"
5X Large	62" - 64"	72"	56" - 58"

*Notes: Because the clothing is worn outside of the user's street clothes, take into consideration the size and weight of the clothes the user will be wearing (Example: warm winter jackets, etc). Jacket is approximately waist length.

Electrical Arc Hoods

52685

52509

The Electrical Arc Hood incorporates a new UV- and IR-absorbing window providing protection up to

100 cal/cm². This is by far the highest level of protection available today. Previous generations of gold reflective faceshields only provided up to 7.33 cal/cm² of protection, and the typical clear faceshield only 1.2 cal/cm².

The window is coated with a permanent anti-fog inner surface.

Arc Hoods are supplied with Hard Hat Adapter and Safety Helmet.
